- * Cash prizes are not permitted. If you would like to do a 50/50 raffle, you must deposit the funds. When the winner is announced have them complete a W-9 and then Pam will submit the W-9 and request for payment so the winner can be mailed a check.
- * Any prize valued over \$100 must have a W-9 completed by the recipient before giving them their prize. Complete top section of W-9 with details of prize. Forward the W-9 to Pam Creger.
- * Only cash and checks may be accepted for payment of raffle tickets. No credit or debit cards.
- * The sale of tickets and drawing of the raffle must occur within the licensed period.
- * A copy of the gambling license must be prominently displayed wherever tickets are being sold, and at the location of the drawing.
- * There cannot be a mix of "games of chance and a raffle". (Ex. Cannot have a bean bag toss where the winner receives a raffle ticket.)
- * A UNI employee (faculty advisor, etc.) must be present at the time of the drawing and also be responsible for delivering the raffle money to Pam Creger at Student Life and Event Services (111 Maucker Union) or the Gilchrist Hall nightly deposit box, as applicable.
- * The fee for your license, depending on the length of your license, will be charged to your University account number by journal entry.
- * The sales tax to be paid on the income of the raffle money will be calculated at the end of the month and will be charged to your University account.
